Word Count:

687

Summary:

Keeping an eye on currency exchange rates is essential when traveling if staying within a budget.

Keywords:

vacation, destination, fun, money, exchange rates

Article Body:

Keeping an eye on currency exchange rates is essential when traveling if staying within a budget.

A currency will be either free floating or pegged. A pegged currency is fixed by the government.

As a practical matter exchange rates will change from country to country and can be used to manage a budget.

Keeping an eye on exchange rates will always benefit the traveler. Even if you are just crossing a border.
