Whatever the case, there's certainly a number of things that make trading the financial market

#1 Avoid Errors in Order Entry!

The quickest way to lose money in the markets is to make mistakes when you place your orders.

#2 Use Only Risk Capital!

New traders often get so caught up in the excitement and anticipation of trading that they let

#3 Start With Enough Capital!

It takes money to make money. You've heard that often enough. Accounts that are too small can

#4 Trade Small!

When in doubt, put less money at risk. There is no more swift way to lose huge chunks of money

#5 Avoid Trading Too Often!

Trading can be fun, exciting, and profitable. It is also an intermittent reward system, like g

New traders are prone to mistakes as they learn how to be successful. If you take the advice o
