Word Count:

722

Summary:

The vast majority of government student loans cannot be gotten rid of easily, even filing for

Keywords:

student loan

Article Body:

The vast majority of government student loans cannot be gotten rid of easily, even filing for

If you do wish to try to get your student loans discharged you will have to prove that there is

What can be discharged and what cannot can also fall directly onto the shoulders of the bankrupt

Keep in mind that while it is true that lenders cannot be sending you bills to pay while you are

Student loans are flexible loans, they have many more options than some other loans out there.

Another route that many people take instead of bankruptcy is loan consolidation. The Direct Loan
