Nervous about shopping online because of concerns about credit card fraud? Here are a few tips

1. Talk to your bank or credit card company and arrange for a separate, low limit credit card
2. Review your credit card terms. Most companies do not hold you financially accountable for f
3. Use your credit card online rather than a debit card that is attached to your bank account.
Since your living expenses still need to be paid while you're waiting for your money to be ret
4. Consider using an online financial service such as PayPal.com. When you use PayPal, online
5. Before entering any confidential information online (such as your credit card information),

Shopping online can provide you with a much greater selection of goods and save you money with
