Article Body:

When it comes to tax shelters, there's no better or safer place than our own homes. There are

Uncle Sam allows us to use our homes as a means of collecting a large number of tax deductions

Our interest payments make up the largest portion of the mortgage payments in the early years

The interest we pay on a home improvement loan is also deductible against our end of year taxes

The Taxpayers Relief Act of 1997 which covers the exclusions on Capital Gains allows married o

With more and more people creating ^Home Based Businesses~ there are tax deductions available.

It would appear that the ^Grass is not always greener somewhere else~ and sometimes the solution
