The idea is not to achieve more debt as the end of the year approaches, but to end the year on

I can assure you with the latest round of hurricanes that happened consumables are bound to go

Do not charge your holiday shopping because when January comes and you receive those bills, yo

For example, last year my husband and I found some gift baskets that we really liked in a maga

Do not add more bills to your financial situation, begin a new start and take steps to remove

1) Make a plan now even if it is the beginning October, (its not too late) about what you are

2) Shop around to see who has the better bargain

3) Do not overspend

4) Do not wait to the last minute to shop. I know this will be challenging for those individua

Once you have gotten your holiday spending done and looking forward to the next year, put some
