

Title:

Signing for your card transaction is now a thing of the past

Word Count:

518

Summary:

Chip and pin has now completely replaced signatures for card transactions.

Keywords:

chip and pin, debit card, credit card, bank accounts, high interest account

Article Body:

From Valentines Day (14th February) 2006 a signature is not good enough for you to purchase goods

Card fraud is a big problem in the world nowadays, but this new technology has significantly reduced

Most new bank accounts nowadays offer free debit cards when you open your bank account. Barclays

For those of you that don't already use a debit card; it is basically the same as your ^hole in the wall

The problem in the past with debit cards was that if you lost it someone could easily use it in your
