Article Body:

Bushmills

Driving along the spectacular Antrim coast you can just tell that this is good whiskey-making

Some historians claim it started in 1276, though if the story of monks taking distilling with

Bushmills is significantly different to the other two Irish distilleries and takes you back to

It's a complex process, as master distiller David Quinn explains. 'After distilling the low w

The distillery is only a few miles from the Giant's Causeway, a weird outcrop of hexagonal bas

Where Bushmills differs from any Scottish distillery is by being home to blends as well as sin

'Getting the correct balance is vital. You could argue that with a delicate spirit it's even m

TASTING NOTES

Black Bush

Sweet, toffee-like nose with plenty of sherry notes in evidence. The palate is silky and soft,

Bushmills 10-year-old

Clean and crisp, with apple blossom, clover and bran. Lightly creamy on the palate, with some

Bushmills Triple Wood

Ripe and full on the nose. A taste of molasses, then some raisin mixed with powerful, plummy f
