Word Count:

484

Summary:

Reading your fortune with coffee is very similar to participating in a Rorschach test. You need

Keywords:

coffee, food, drink, water, coffee bean, bean

Article Body:

Reading your fortune with coffee is very similar to participating in a Rorschach test. You need

Here are step-by-step points on how to prepare to read coffee grounds:

- Use a white cup to get an precise reading
- Grind your coffee beans as normal. You can use espresso coffee, but do not let any cream, milk
- Heat water to a boil
- Formulate your coffee in a French press as standard
- Then add a big spoonful of coffee grounds to your cup and pour the just this minute made coffee
- Consume the coffee by holding the cup by two hands
- When done consuming the coffee, tilt the cup on a 90 degree angle and carefully rotate the coffee

There are a few points to mull over when interpreting coffee grounds: the rim of the coffee cup

Here are a few examples of a number of things to watch out for when you are attempting to read

- Axes = Bravery
- Cakes & Pies = Good fortune
- Cigarette s= You need to follow through on your arrangement
- Cows = Finding your self in the company with an ex partner
- Elephants = Ask someone for a favour
