Article Body:

Aquavit

Aquavit, genever, gin, and whiskey (or whisky as the Canadians and Scots spell it), as well as

The name of this strong Scandinavian spirit is derived from the Latin *aquavitae* (water of life).

It is distilled with water and a variety of flavorings, such as caraway (the most traditional).

Serve aquavit very cold in a short glass, similar to a shot glass; this is how its full, rounded

Genever

Genever is the Dutch national drink, and what is considered to be first gin. The word genever
