Every firm uses its own malts as the core of its blends: Grant's can draw on the Dufftown triu

The need to keep as many of the fillings in-house was the rationale behind building Kininvie i

Kininvie's arrival doesn't mean the malts it replaces are immediately taken out of the blend,

While the Dufftown core remains the same in the Grant's range, he uses lighter malts in Clan M

G R A N T' S One of the most famous families in whisky, the Grants had already built their Glen
