cuisine ,Italian cuisine,traditional Italian ,Tuscany

Article Body:

When an American conjures up an idea of ^Italian cuisine,~ often what comes to mind is pasta,

Tuscany is a region of Italy that takes up a small piece of the western coastline on the Tyrrh

While many people think of Italian cuisine as being very salty and filled with garlic, onion,

Along the coast, seafood plays an integral part of the cuisine. A trademark of the Tuscan coas

The cattle and boars that are particular to the region, for example, make for a taste that you
