Keywords:

dating,relationship,picking up women,pick up,humor,humour,jokes,joke,laughter,laugh,laughs

Article Body:

Humour, some say, is the fruit of life, and this is especially true when it comes to picking u

But, as we all know, making them laugh, is easier said than done. Precisely for those who find

1) The Prescription:

Did you hear of the lady, who walked into the pharmacist and asked for arsenic?

The man behind the counter asked in wonder, "What do you need that for?"

The lady calmly replied, "to kill my husband."

The pharmacist was taken aback, "Are you crazy? Do you want to get us both into jail? And, any

The lady paused and from her purse she removed a set of pictures of her husband and the wife o

The pharmacist looked at the snaps, put them down and smiled, "lady, why did you not tell me t

2) The Tip Book

A wife calls out to her husband, "Have you seen the book, 101 Tips to Live for More Than a Hun

The husband sheepishly replies, "I burnt it."

"What?" the wife shouted out, "why?"

The husband whispered back, "Because your mother wanted to read it."

3) Range of Food

Looking at his wife fry meat balls in all kinds of shapes and sizes, Tom tapped her on the sho

His wife turned, "Because you asked for a variety of food."

4) Mushrooms

Tom was picking mushrooms from the forest floor with his wife, when she picked up one and show

Tom smiled, "Yes. As long as you do not cook it."

5) Driving Around

Tom greeted his wife when she returned home, "So, my dear, how was your first time driving all

His wife smiled coyly, "Do you want to hear it from me or read about it in the papers?"

6) Drama

A couple are watching a film in their local theater when the wife snuggles close to her husban

The husband sighs, "Yes. These movies always have bad endings."

7) The Library

Tom visited the local library, walks up to the librarian and asks, "Do you know where I can fi

The librarian conducts a short search on the computer and looks up, "you will be able to find

Conclusion:

While some of these might sound offensive, if you use them well you will be able to display no
