Have you heard about the big milk controversy? Outspoken spokesperson for The Vegetarian and V

"As Heather Mills McCartney speaks out about the health problems associated with dairy product

Although I don't agree with a lot of what Heather Mills McCartney believes, I do agree with th

The problem isn't with milk. Dairy products have been a major part of many cultures' diets for

The problem today is how we get our dairy products and how they are processed. Modern dairy co

And then the milk they produce is homogenized, which alters the organic structure so the cream

Pasteurizing milk is heating it until it is a dead food with little or no benefit to us. It is

The modern milk produced now is something highly processed and unnatural. If that isn't enough

You will be hearing more and more about the dangers of modern milk. If you want safe healthy m

My challenge to you is instead of eliminating milk products for three weeks, switch to organic
