

Title:

Read This Article If You Enjoy Eating

Word Count:

655

Summary:

We all love to eat, but not everyone on this planet gets a chance to do so on a regular basis.

Keywords:

food, hunger

Article Body:

I'd like to start today by asking everyone who enjoys eating to raise his/her hand. That's it?

That's much better! I'm seeing a lot more hands in the air now. There's still a gentleman in t

We have established that almost everyone here today loves eating. This is no big surprise. Sin

We don't always like to think about it but people starve to death everyday. Millions of people

Any of us fortunate enough to be born in a land where food is plentiful and readily available
