Article Body:

This article is the first of a series about San Diego Restaurants you can't miss. If you live

I live in San Diego for more than 6 years, I'm originally from Brazil, so please forgive me for

Being an engineer from Brazil, I wanna start telling you about the brazilian cuisine and the b

One of the most traditional kind of restaurant/cuisine in Brazil, is what we call "churrasca

Of course we're talking meat here, so if you're a vegetarian I apologize, but It's not going to

So what is it, exactly?

It starts with a salad bar and a all you can eat buffet that includes most tradicional dishes

At your table, there is a 'sign' with two sides, one red and one green. You use that to show t

They will come to your table, if your "sign" is green and keep serving you until you can't han

It's an amazing experience. I took a few american friends to this restaurant for their first t

In San Diego, there is two different Brazilian BBQ restaurants, both in downtown and actually,

One is called Rei do Gado, or the king of the cows. It's a good restaurant, It's been in busin

The other great choice is Samba Grill Churrascaria, also in downtown, and like they like to ca

So there you go, if you have never tried one of this brazilian bbq places, GO! If you're in Sa
