Running around, riding bikes, skating, rolling down grassy hills.

Ok, I'm getting a little idealized here. So let's have a little fun. Let's remember the candy!

What were your favorites? Licorice? Chocolate? Laffy Taffy?

I remember the delight of the days when I was first old enough to go to the store to buy candy

My sisters and I no doubt spent way too much of our allowances on candy, but it was sooo much

Halloween was, of course, the best. As we got older we got to be the kids that went around the

Hiding our Halloween candy was pretty much a competitive art form. We were always trying to fi

Despite my best resolutions these days, I still love candy. Chocolate is my main weakness now,

Yes, it does pay to eat healthy. But everything in moderation, and that includes moderation. S
