Door County, Wisconsin is a popular destination for tens of thousands of travelers every year.

The Inn at Kristofer's, located on Bay Shore Drive in Sister Bay, Wisconsin, is a wonderful place to eat.

The first thing we noticed after being seated was the beautiful view of the water. The restaurant is located on a beautiful peninsula overlooking Lake Michigan.

Immediately after being seated our water glasses were filled and a wedge of fresh lime was added to our water.

The entrée special that evening was grilled quail which my husband ordered. I had the certified organic duck.

Because we wanted to save room for dessert we skipped appetizers, soup, and salad although the restaurant has a great selection.

All three entrees were excellent. The presentation of the plates was pretty and the food tasted delicious.

The duck was tender, moist, and very flavorful. It was accompanied by fresh steamed vegetables and a delicious sauce.

The grilled quail was, according to my husband, cooked to perfection. He really enjoyed it. It was served with a delicious sauce.

For dessert we split two selections; a pumpkin mousse torte and the crème brulee. The pumpkin mousse torte was delicious.

Although the Inn at Kristofer's is not an inexpensive restaurant, it is a wonderful place to go for a special occasion.
