Article Body:

Tullamore Dew

The roll-call of distilleries and brands which disappeared when the Irish industry imploded is

Most of the brands simply disappeared, the names of the distillers and their whiskeys slowly s

The Tullamore distillery was built in 1829 and was bequeathed to the Daly family in 1857. In 1

Williams expanded the distillery, began exporting and created a new triple distilled pot still

It was a tough time for Irish whiskey. The government had, for reasons best know to itself, re

When the government raised taxes again in 1952 the writing was on the wall for distillers like

Thankfully, Tullamore Dew was saved when the business was sold to Power's in 1965 and the next

The overall lightness has endeared it to German and, more recently, American palates. People a

TASTING NOTES

Tullamore Dew

On the lighter side of the Irish fence. Clean crisp and light, but not hugely exciting. \* \* Tu
