

Title:

Becoming a Victim of Skin Care and Cosmetics

Word Count:

566

Summary:

People have been killing themselves in the pursuit of beauty for centuries, though only recent

Keywords:

anxiety disorder

Article Body:

Some people might be inclined to believe that only in the modern era have people been killing

One doesn't have to look only at the recent past for deadly skin care and cosmetics, however.

Just what are the effects of such things? Well, aside from chronic cases of pink eye, there we

The Greeks did something even worse, choosing to not only cover their eyelids with toxic subst

Later on, from the 15th to the 17th centuries, not only was the Greco-Roman practice of using
