

Title:

Bird Flu Drive Thru?

Word Count:

399

Summary:

I'll have a burger and fries to go and while I'm here check me for the bird flu.

Well, no not as such, but drive thru's may be set up in VA hospitals in America as a suggestion.

With the virus already having been found in European birds now, precautions are already being taken.

Keywords:

health,fitness,cardio,breathing

Article Body:

I'll have a burger and fries to go and while I'm here check me for the bird flu.

Well, no not as such, but drive thru's may be set up in VA hospitals in America as a suggestion.

With the virus already having been found in European birds now, precautions are already being taken.

How is this going to affect you in your day to day living? It could bring up a lot of problems.

From listening to some of the recent news releases stockpiles of vaccines are already in place.

And either way whether it does or doesn't happen, the big pharmaceutical company's are guaranteed.
