Article Body:

<p>

Ross Miller stretched as he rose from the chair where he had been sitting for close to two hou

<p>

Ross put together his things and prepared to head home. By the time that Ross had pulled into

</p>

<p>

When Ross walked through the back door he heard one young boy shout these words: Man, can you

</p>

<p>

Ross spoke to the group of men gathered around a magazine. I hope you are not all here to look

</p>

<p>

^No Dad,~ said Ross's son. We are looking at an issue of Wired Magazine. It contains a picture

</p>

<p>

The boys made space for Ross, so that he too could see the picture of the ball breaker. As Ros

</p>

<p>

Ross read the information in the magazine. He noted that the long steel tubes were inserted in

</p>

<p>

Ross immediately thought about how a male patient might react to the use of such an instrument

</p>

<p>

Who owns this magazine? Ross asked.

</p>

<p>

I do, said one of his son's friends.

Well I would like to buy it from you, said Ross. I will pay you \$7.00.

</p>

<p>

Wow, I could get another magazine and more with that, said the magazine's owner. I can not pas

</p>

<p>

The next day Ross took the Wired Magazine to work. He showed it to the employees in the market

</p>

<p>

Ross showed them the picture of the ball breaker. Ross suggested that the marketing department

<p>

The other marketers like Ross' idea. They were eager to get right to work on a search for phys

</p>

<p>

Ross gave them one word of advice: Be sure not to let word of this leak out to the people who
