Article Body:

Let me start off by saying, that this is not an article about how to stop smoking. In a way,

It came to me one afternoon, when I was trying to fight off a sore throat, and I held my pipe

Well, the truth was the truth, and I really didn't have intentions of stopping Slowing down, y

Smoking makes you look old, smoking causes cancer, smoking smells, smoking makes your teeth ye

I accepted them all

Ok, now what Well, I began to think. With a sore throat nagging me at the moment, I decided t

Perhaps the coughing was a blessing in disguise as I reached for cup of tea to help stop a fit

I looked further into the matter, as I of course stepped up my tea intake.

I found out that drinking tea, Rooibos Tea and Jasmine Green Tea in particular, will help me t

Could it be that a pot of tea was a helpful accessory walking down this smokey path?? From pe
