dental hygiene, dental hygiene week for kids, early childhood hygiene practices

Article Body:

Hello all you wonderful people out there. Have you ever thought, ^If I had known then what I k

Actually there is not too much I, personally would have done differently. But there is definit

I had problems with my teeth from the minute go. I had to have fillings, root canal work, toot

Ironically, at this stage in my life I frantically take care of the few teeth I can still call

In our day and age anything can happen. My next statement may sound a little bizarre - like so

And don't forget folks~ keep smiling!
