Article Body:

Moving means umpteen things to be done ~it is not about just putting things into boxes, taking

To make life easier and less complicated, use a ^moving checklist.~ This will help you move ef

The first thing is to write down simple facts about your destination~what kind of weather, cli

A typical check list will have:

- Inventory of goods~perishable, breakable, unbreakable. A room-wise inventory is recomm
- A file containing essentials like house documents, insurance papers, packing lists, bi
- A must do list to remind you to:
 - o Arrange transfer of school records.
 - o Pay utility and other pending bills.
 - o Transfer bank accounts.
 - o Turn off phone, heat, electricity, and gas connections.
 - o Disconnect television and Internet cables.
- A list of ^to be done~ --- post office notification; insurance for valuables, health c
- Pack a travel kit containing cheque books, credit cards, personal phone book, I-pod, i
- List of items to be sold/placed in storage. List of things to be repaired, replaced,
- List of legal papers and keys to be handed over to the landlord or new owner of your h
- A folder containing details of movers, truck number, drivers ID and cell number, as we
- Arrangements to be made in your new home before you arrive: a working phone, installin
- Ready to use folder containing, birth certificates, school records, medical records, d
- A bare necessities box marked No 1, containing: toilet paper, towels, soap, shampoo, b
- A ^new home~ must do list: validate your car papers and drivers license, renew or get

Be well prepared to move, make a list that pertains to you personally. If you are well organiz
