Have you ever rolled over in the morning and not known the man lying next to you? I'm not refer

1. Cook a meal together.

Whether it's breakfast or dinner it doesn't matter, as long as you're spending time together.

You'll save money fixing the meal at home rather than dining out. Plus, you won't have to get

2. Take on a project and get dirty!

Tackle a big and messy job on your list - cleaning out the garage, pulling up shrubs in the ya

Now that you've worked up a sweat, why not draw a bath for two?

3. Spend a lazy afternoon going through old photos and reminiscing.

Talk about the activities you used to do when you first started dating and make a plan to star

4. Play hooky!

Plan a day where you can each stay home from work and spend the whole day home - alone - toget

5. Make an effort on a daily basis to stay connected to your husband.

Listen, ask questions - be his partner in all aspects of your life. Something as simple as mak

The most important thing to remember is that you are not in your marriage by yourself. Share y

Chances are your husband will be clueless, but once he realizes you're genuinely concerned, he
