Even people who do not have much space for a vast garden can create small flower garden or vegetable garden. So, if you live in the city and think that it is impossible to bring a little green into your home. When choosing the planter boxes, the principal of feng shui i.e., simplicity must be kept in mind. The boring front porch area can be converted into a beautiful place by placing planter boxes with colorful flowers. In many countries separate programs are charted for beautifying the cities by using planter boxes. Planter boxes made up of teak or cedar wood is an ideal investment for a long time. Wooden planter boxes are
