

Title:

Benefits of Log Homes

Word Count:

512

Summary:

Many people dream about buying a piece of land, building a log home, and getting away from it

Keywords:

log homes

Article Body:

Today's log homes can be just as big and luxurious as traditional stick-built homes, and they'

Whether you like the rustic look or just want to live in a house built from natural materials,

The short answer is yes. In fact, log homes have some benefits stick-built homes lack. Let's

1. They generally are made to a higher standard with superior craftsmanship and custom touches

2. Log homes are sturdy, stand up well to the elements, and generally speaking last a long time

3. The notion that log homes are warm and cozy isn't just fanciful thinking. Compared to a co

4. If your log home is built and sealed properly, it will be very energy efficient. This mean

5. Log homes are usually more quiet than stick-built homes. Remember that thermal mass we tal

6. One last benefit, is that it's easy to maintain log homes and keep them free of mold, milde

Generally speaking, the pros far outweigh the cons when it comes to choosing a log home. Whet
