

Title:

Birthday - Let Us Deserve To Celebrate It

Word Count:

498

Summary:

Every day is the same day. Days differ only in few ways- weather conditions, sunrise and sunse

Keywords:

Article Body:

Every day is the same day. Days differ only in few ways- weather conditions, sunrise and sunse

So, why do we love our birthday? Why do we celebrate it? Why do we feel good about it? I mean

Coming back to the subject,these are philosophical enquiries that make us understand ourselves

Our birthdays should make us think more of ourselves, our actions, our values, our integrity,
