Article Body:

Have we lost our children in a hypnotic video game trance? Have they become ^drones~ to the ^v

Sometimes it may seem that way as many children spend hour upon hour in front of a video screen

Let's step into a time tunnel of sorts and recall some of the fascinating toys that we had the

Tinker Toys

Ahh..Tinker Toys..rods, sticks, spools, spokes..simple, but a true classic toy invented in 191

Alas, his Tinker Toys drew no interest. So he tried again, this time at Christmas time, but with

Lincoln Logs

Notched redwood logs that could be used to construct log cabins, Lincoln Logs were the invention

During the World War I era, it was in vogue to encourage American patriotism and for American

The original sets sold very well and became even more popular with the introduction of televis

Today, Lincoln Logs are still available and have stood the test of time. As a matter of fact,
