Article Body:

It seems nowadays children are preoccupied with either television or video games. But it wasn't

With the advent of the ^video age~, there is no doubt toy companies feel slighted on the bottom

Etch a Sketch

Invented in the late 1950's by a gentleman named Arthur Granjean (he called it ^L `Ecran Magique

The response was so overwhelming, Ohio Art continued to produce them until noon Christmas Eve,

The Etch A Sketch has entertained over 100 million adults and children in 67 countries worldwide

For fun, take a poll of your friends or coworkers, and ask them how many of them ever drew something

Did you know there is an Official Etch A Sketch Website? You can go to www.etch-a-sketch.com if
