

Title:

Fathers Day Tribute - Scarred For Life By A Special Dad

Word Count:

555

Summary:

Always remember to say what you feel while they are here because remorse you will carry forever

Keywords:

Dad,special dad,army dad,fondest dad memories,dad died early,dear old dad,dad tribute,

Article Body:

The story we all loved to hear as kids was the one about dad that would explain why his face was

Even though the parting of the ways was sudden the fondest of memories has still held a strong

They say the good die young and that is what has helped to ease the resentment I felt towards  
Why are dads special - why is my dad more special than all other dads, simple because people s

Dad served 34 years in the army but trouble was brewing up on communist day in Hong Kong where

Eight of us were bundled into the back of a 3 ton army wagon with pillows for protection and o

The convoy of trucks that followed behind and stopped - now stood burning wrecks.

If a barrage of boulders were hurtled into the back of the wagon - just what kind of state wa

I often wonder today this day would we all have got out alive if the boot was on the other foot

The result of that fearful day was a truck with no windscreen a driver with no face and eight
