Article Body:

Self preservation of ourselves and our loved ones is one of man's basic needs. It is inherent

I don't know why it is but every time my wife and I go to see her cousin in San Diego I get to

I sit and ponder the what the result would be for me or my family who have had no formal marti

I have investigated crime reports and their recommendations. Pretty much across the board they

For example: Street Safety. Using common sense.

1. Stay in well lighted, busy areas. Avoid walking alone and avoid known trouble spots.
2. When you carry a purse, hold it close to your body rather than by the handles. Do not wrap
3. Carry only what you need in a purse or wallet, not everything you have.
4. Avoid using shortcuts through dark alleys, fields, or vacant lots.
5. If you think you're being followed, cross the street and change directions a few times. Go

There may come times that we have taken all the recommended precautions and still find ourselv

Today we have the benefit of technology such as self-defense devices and surveillance equipmen

Society's institutions no longer have the capability to protect you and your family as they on

Obviously our nation and society have become a dangerous place in which to live and raise our
