Pension in one hand and out with the other. Government fraud squad give and take rules. Golden

Keywords:

pensioners, retirement age, government, rules, childrens education, pension, golden years, olden, reti

Article Body:

The Golden years a time in all our lives where we look forward to retirement, long gone are th

Now the prime candidates for the government's new ruling of raising retirement to the ripe old

What happened to the days when grandparents sat you on their lap and told funny stories of the  
Kiddies of the 21st century now listen to tales of woe of how life was a struggle or the pain

Turned are the golden years into olden years more like where old timers are liberated to do as

Slave Labour (excuse the pun) slavery went out with the ark or so we believed but is back with

For e.g. the government took measures to protect pensioner from the freezing winter by giving

The days and dreams of ever attempting a dare devil stunt for all golden oldies (pensioners) w

I hasten to add it is never too late to sit the kiddies on your lap once again and fill them w  
There will always be rules/regulations that we as a nation are not happy with, so what can we

But for those still in their prime give them the opportunity to live your dream for you.

Children in the twentieth century are going to struggle like that of the old days without an e

There are many active pensioners who this article is not personally directed at but for those
