

Title:

Home-Improvement how to get it right?

Word Count:

320

Summary:

Few people who have gone through a major home improvement project will tell you that the whole

Keywords:

home, improvements, DIY

Article Body:

Few people who have gone through a major home improvement project will tell you that the whole

The first thing to do is to put someone in charge, otherwise you'll end up doing it yourself

The next thing you need to do is absolutely vital: budget, budget, budget. It's so easy to spe

Avoid hiring too many specialists, as you don't need that many people working on a home projec
