

Title:

How Evil Gains Entry

Word Count:

341

Summary:

When we open our doors to strangers, we can never be certain what malice an outsider might bring.

Keywords:

Evil entry, NAR®, National Association of Realtors, denied entry, Open Houses, Realtors®, at risk, For Sale By Owners

Article Body:

With fierce crime on an increase, eager For Sale By Owners, are often slack in their judgment.

What would For Sale By Owners do if they knew they were really buying trouble?

As a retired real estate broker, I feel qualified to shed some light on this, all too often, evil.

But all too often, the man saying, "We can sell it ourselves, Honey," pops a FOR SALE BY OWNER sign.

I've had women, former clients, tell me they had prayed that no one would call, and after peeking through the curtains,

Even Realtors® recognize they are placing themselves at risk when showing houses. Every year,

Evil is denied entry when we bar the door.
