family, genealogy, focus on the family, family fun, family cruises, mormon church, family cruises

Article Body:

Family should always be first, but it's easy to forget what matters most in today's hectic world.

Give your children the opportunity to speak openly and freely about their concerns and troubles.

Spend quality time together each week. Many parents have full-time jobs and it's difficult to find time.

Chores doesn't sound like it will bring a family closer, but one would be amazed to see what it can do.

There are many ways to gain closeness within your family. These three steps are designed to give you a head start.
