Know the Facts Before You Hire Home Help

Article Body:

As Americans work longer hours and live more active lives, more homeowners are turning to clea

Choosing a company can be daunting, as there are nearly 22,000 cleaning-service options in the

For example, whether you're paying your neighbor's son to mow the lawn or an independent house

Larger providers such as Merry Maids may be more costly than independent home service workers,

To protect yourself from a personal injury suit or other liability, you should:

- * Hire vendors that carry workers' compensation insurance.
- * Reduce the risk of injury on your property by hiring professional services that comply with
- * Be wary of referral agencies. They may be professional service companies, but they may not c
