Article Body:

Online shopping has become very common among people who know that it saves their time and money.

It may be anything for which you shop online ranging from clothes, gifts, computers or electronics.

Online discount coupon sites provide great rebates, offers and bargains to the shoppers however

 1. You should stay away from online coupon websites that ask you for your personal information.

 2. Keep away from discount coupon sites that have too many pop ups attached to it since they are annoying.

 3. Online printable coupons and coupon codes are free, so do not think of paying to access them.

 4. Many websites offer freebies or deals which you may find irresistible but remember that they are not free.

 5. Never complete online surveys to get free stuff or discount coupon codes unless they are from a reputable source.
