Article Body:

You have been planning your garage sale for weeks now. Your garage, as well as you whole home,

First, of course, you need to get your sales items together. Garage sales are a great way to r

Come to think of it, though, a garage sale at your home can be a real chore. It takes a Hercule

Don't get me wrong. Your garage sale was a great idea, but as you can see, there are many limi

The Internet holds several crucial advantages over selling your stuff the outdated way. When y

ONLINE: Your items are available for purchase for an unlimited time, until they sell.

AT HOME: Your items are available until you call it quits for the night.

ONLINE: Rain, sleet, or snow, your sales aren't affected in the least.

AT HOME: Better have a rain date or a very big umbrella.

ONLINE: No need to constantly watch over your goods or interact with uninterested customers. J

AT HOME: Be prepared for countless hours of staring down the street for customers to appear. W

ONLINE: Advertise for free to your friends and neighbors over e-mail.

AT HOME: Shell out money for flyers, after which you can get to know all of the telephone pole

ONLINE: Spend your weekends the way they were meant to be: relaxing and enjoying your time wit

AT HOME: Spend your weekend waking up early, buying and distributing flyers, lugging boxes, an

As you can see, it's not an even match. An online garage sale wins hands down.

Now that you're actually excited to get started with your garage sale, you should know that th

Your best bet is to do your research and find classified sites with the most features and bene

- (1) No sign-up, registration, or transaction fees.
- (2) Free ad listing with text description and pictures.
- (3) Long-term ad posting and free renewals.
- (4) Easy, accurate, electronic, and automatic record keeping.

The best classified sites have these incredible features and then some. Not only will you be a
