Word Count:

571

Summary:

From a potluck gathering, to a formal social affair, the picnic has had different meanings in

Keywords:

Picnic tables, picnic table, tables, table, patio tables, patio table, dining sets, dining set

Article Body:

One of the greatest social events ever dreamed up, a picnic is a combination of food, family, and fun. Although the summer is filled with picnics, little is generally known about how and where they are enjoyed. The word "picnic" was first introduced in English in 1748. In the 19th century, a group of well-to-do people would go on a picnic to a rural area. Today, a picnic can be anything from a casual meal on the porch, with paper plates and plastic cups, to a formal affair. Like the picnic itself, the picnic table has undergone many transformations. With porches, decks, and patios, besides the classic, rustic-looking cedar, oak, and pine tables, there are elegant dining sets. Indeed, there are as many versions of [picnic tables](http://www.allpicnictables.com) as there are people who love to picnic.
