

Title:

School Uniform - Don't Waste it, Recycle It

Word Count:

238

Summary:

Did you know that the UK generates between 550,000 and 900,000 tonnes of textile waste every y

Keywords:

school uniform recycle recycling textiles clothes

Article Body:

Did you know that the UK generates between 550,000 and 900,000 tonnes of textile waste every y

The solution is to collect waste materials and put them into a textiles 'clothes' bank, or don

I have run a school uniform business for some time now and I am a firm advocate of recycling i

Why do I write an article like this when my primary business is selling new school uniform? S
