

Title:

The Five Most Addicting Games of All Time

Word Count:

511

Summary:

My choices for the five most addicting games of all time might not be yours, but if you haven't

Keywords:

addicting games, video games, unique board games, kid's games, jigsaw puzzles, monopoly, card

Article Body:

Every person who loves games has their favorites. But not all games are addicting games - even

Board Games

Of the classics, Scrabble will always be in my top ten. I love words, and although I'd never m

Again, because I'm such a fan of words, I love the game Taboo. It's a totally addicting game f

Another truly addicting game is called Therapy. It's one of those unique board games you need

Card Games

I find many types of card games addictive - from hearts to rummy to pinochle - but as far as s

My second choice of specialty card game would be Uno's cousin, Skip-Bo. It's a great kid's gam

Other Games and Puzzles

I haven't included any video games or jigsaw puzzles in my personal list of the most addicting
