The Many Benefits of an Air Mattress

Word Count:

318

Summary:

We take it for granted everyday that not everyone can afford or can comfortably sleep on a tra

Keywords:

air mattress, air beds, air mattresses, aerobed

Article Body:

We take it for granted everyday that not everyone can afford or can comfortably sleep on a tra

No, I'm not talking about a couch.

Instead, I'm talking about the tried and true air mattress bed that so many people are now usi

Cost: It's simply cheaper to purchase an air mattress over purchasing a traditional box spring

Comfort: For a lot of people, back aches and bed pains are a common occurrence often attribut

Convenience: Yes, very convenient. Built in portability, the ability for it to self-inflate us

What about you? Will you take the leap and sleep on air?
