Article Body:

If you are looking to give your room a focal point or something to highlight it, look no further.

Many homeowners fail to realize that they can do many things on their fireplace mantel to make it stand out.

A fireplace mantel is a decorative surface that you can decorate in either a symmetrical or asymmetrical design.

When to Decorate Fireplace Mantels

Holidays and special occasions are especially great times for you to start decorating and show off your style.

Fireplace Mantel Decorating Ideas

* When you are decorating your fireplace mantel, avoid using anything that is made from inflammable materials.

* Fruits make wonderful fireplace mantel decorations. A simple, but striking fireplace mantel decoration.

* Decorate the space below the fireplace mantel with cones.

* Add depth and illuminate the room by placing a mirror on the fireplace mantel.

* Avoid giving your fireplace mantel a "firing line" appearance. Don't simply line up the objects.
