Article Body:

Yes, like I said, when was the last time we bought something creative, unique and totally spec

A special gift says a lot

Forget about the conventional, off-the-shelves books, picture frames, calendars, organizers, f

The pure convenience of the purchase speaks for itself. It's nothing special.

So, what's a special and unique gift?

A truly special gift is something that your mother will look back 5 or maybe 10 years down the

A special gift should be something that reminds her of you, of motherhood.

Some ideas of a special gift you can get for your mom

- A motherhood-related product ~ this could be something related to motherhood, with a s
- Something you've designed or created
- A custom-made special gift designed especially for her
- Something you and your own children have come up with over the weekend or something yo
- A poem you've written
- A special home-made CD (maybe a special CD) of a vacation with you and your family in

To find the right special gift for your mother, start with your mother's personality. What doe

And once you've put your finger on what interests her, finding the right kind of special gift
