By now you should have a good idea of what Virtual Real Estate is and why it's to your benefit

In the last installment of this series I covered "Article Directories".

In this part of the VRE series I'm going to cover "Web Directories" in general and then give you

Sound good?

VRE Model #2. Web Directories.

An "Web Directory" is simply a directory on the World Wide Web that specializes in linking to

The one thing about Web Directories is they are often used as part of a website marketing strategy

The main strategy behind someone submitting their website to a directory is that a new site needs

That's the basic run-down of what an Web Directories purpose is and why they make a great VRE

Web Directories can be and target anything you want them to. It's your directory, so you make

As your directory grows, so will its traffic.

And if you have targeted affiliate programs strategically placed on your directory along side

Now... as I said at the beginning of this article I would give you some examples of some Web D
