Do you get emails from people asking favors and stuffs. Probably JV requests, or perhaps sendi

Well, that's normal, right? I get some from time to time.

But here's the thing - with all the JV requests that you get, in between the SPAMs, and also i

Now imagine that you are the one sending that email out. Maybe you are writing to propose a JV

So how do you get pass that?

This is somehow related to my previous post about how to make money in the make-money-market.

Imagine this - the moment they open up their inbox they recognize you. You yourself would most

But how do you make that other person know you even before opening the email?

I've got a few tricks to that - I call it Advance Online Networking.

How does that work? Well, here goes ... People don't really have to know about you only from t

Now, what if you were at a seminar the week before and we met there. We talked about business

Then later you got that email, "From: Iszuddin Ismail aka Kidino" You might be saying to yours

See the difference?

Here's the big secret ... you don't have to be at seminar with me, or anything other guy to be

Again ... How?
