Article Body:

So you want to make your money online now huh? Great. There are plenty of ways to do it. AutoS

I'll explore each of these ways in the course of this series. So if they sound like gobbledy go

For most people, a reasonable course of action when choosing an online business, is to bring u

OK. So the good news is, if there's plenty of supply you've got plenty of choice. But how do y

And perhaps you've got your own idea, perhaps you've used The Internet enough to have identifi

There is a methodology I teach which helps people decide on which way to turn, if indeed they

The first set is 4 quick questions that you should answer without giving too much thought to.

It is important to be instinctive because once you've embarked on your online career, it will

These four questions should be answered in order with a score between 1 (minimum) and 5 (maxim

Here they are:

1. How computer literate am I? (Not at all - 1. Exceedingly ~ 5)
2. How is my self-discipline? (Terrible - 1. Excellent ~ 5)
3. How positive is my outlook on life? (Miserable - 1. Excellent ~ 5)
4. How much can I afford to fail? (I can't - 1. It really doesn't matter ~ 5)

In part II we'll analyse your results and move on to the next stage in the process. In the mea
