Article Body:

Much talk has been made of the looming retirement of "Baby Boomers." Most recent there has been

Recently the Trustees of Social Security and Medicare published the annual report. The report

I think we have to ask ourselves these questions:

Can I count on Social Security?

Can I manage the health insurance premiums after retirement?

Is my savings or 401K adequate?

Can I afford to retire?

At my current 9 to 5 the insurance premium for family coverage is \$110.00 A WEEK. And that's
What will they be in five years, thirty, fifty, seventy percent higher? It doesn't matter; we

Huge numbers of boomers are looking to start a home based business to supplement their retirement

I have researched many Internet Businesses. One must be very careful not to fall into the trap

If you're considering an on-line home based business whether you're a boomer looking to supplement

Wishing you well and much success,

Ray Skeen
